

MUSTANG FEVER

Tour
2017

HORSEMANSHIP / APRIL 8-9 • 9a-5p • NEW CASTLE, IN

Learn the foundation exercises Madison uses to start colts, gentle mustangs, and advance performance horses in this 2 day horsemanship clinic. Madison will also be sharing her "5 Golden Rules" to effective human-equine communication that serve as a formula for evaluating and solving problem behavior, as well as taking your horsemanship to the next level.

Participants will begin by learning relationship building exercises on the ground and will advance to learning control of the 5 body parts undersaddle for increased safety, softness, and performance.
